

# Baseball

Fancy throwing a ball or see if you can hit a homerun? HSC Matchmakers is the place for you! A small and social club with sporty, driven and enthusiastic members. There's a place for everyone: veterans and beginners, Dutch and international, students and working. Though it involves a summer competition, we play the whole year round. Besides our softball teams, we are now starting up a baseball team. Have you played before or ever thought of playing base- or softball? Feel free to join us at one of our practices!
