

Rugby

Everyone can play rugby: men, women, big and tall, small or quick; a rugby team needs all kinds of players. Rugby Club Wageningen is a very open, international and social club. We offer both competitive and social rugby. Played rugby before? Meet us in our clubhouse at De Zoom. If you want to try rugby, we organise rugby introduction courses which make it easy to enjoy rugby. Interested? Don't hesitate to contact us! For more information; look us up on social media or in our club house at Zoomweg 6.
