

**Major suppliers of mycotoxin certified calibration standards
(none-matrix)
(pure substances, solutions, isotopically labelled standards)**

Chiron AS

(http://shop2.chiron.no/main.aspx?page=articlelist&gid=11224&gidlevel=3&pid=110&pid_3=11224)

Single standard solutions for deoxynivalenol and zearalenone only

CIFGA laboratory S.A. (<https://cifga.com/mycotoxins/56-aflatoxin-b1.html>)

Single mycotoxin standard solutions

European Commission, JRC in Geel (<https://crm.jrc.ec.europa.eu/?q=mycotoxin&page=1>)

Single mycotoxin standard solutions

LGC (<https://www.lgcstandards.com/NL/en/search/?searchPropertyName=&searchCategoryDisplayName=&viewAllsuggestion=View+all&text=mycotoxin>)

Single standard solutions, multi-analyte mixed standard solutions, solid mycotoxins, regulated, non-regulated, metabolite/conjugates, isotopically labelled

Romerlabs (<https://www.romerlabs.com/en/products/reference-materials/mycotoxins/>)

Single standard solutions, multi-analyte mixed standard solutions, solid mycotoxins, regulated, non-regulated, metabolite/conjugates, isotopically labelled

Sigma-Aldrich (<https://www.sigmaaldrich.com/analytical-chromatography/analytical-products.html?TablePage=9638511>)

Single mycotoxin standard solutions, multi-analyte mixed standard solutions, solid mycotoxins, regulated, non-regulated, metabolite/conjugates, isotopically labelled

Trilogy Analytical Laboratory (<https://trilogylab.com/products/certified-reference-standards/>)

Single mycotoxin standard solutions

VWR (<https://nl.vwr.com/store/product?keyword=mycotoxins>)

Various mycotoxin calibrants from multiple suppliers

Chemexper (<https://www.chemexper.com/>)

Data base of worldwide suppliers of single standard solutions, multi-analyte mixed standard solutions, solid mycotoxins, regulated, non-regulated, certified, non-certified
