

Education differentiation

Total budget Education differentiation (€)

Education differentiation by strengthening talent development and career preparation in the curriculum and extracurricular.

Student Challenges

Realised Student Challenges

Budget realisation (€)

Goal: More opportunities for students to develop their talents.

Approach: Continuation of the Student Challenges.

Planned result: Realise one Student Challenge.

Realised result: In total, two student challenges were realised in 2020 instead of only one.

Skills development

Realised measures

Budget realisation (€)

Goal: Students get more skill training.

Approach: More skills education in our study programmes. Student assistants are offered educational skills training to support their tasks in education.

Planned result: New skills implemented in study programmes, supported by instructional designers. Offer 6 training sessions for student assistants. Expanding digital learning environment on skills.

Realised result: Implementation of the skills programme is delayed due to the coronacrisis. The highest priority is to continue to offer high quality blended education despite the restrictions. Some programmes have started implementation already. A coordinator is hired to realise this project. In 2021 all programmes start with the implementation. Also the digital tools for skills education are ready, accompanied with educational support. The digital tools are already used by lecturers.

Trainings for student assistants

Training courses for student assistants on supervision were canceled, because practicals and excursions could not take place. Instead student assistants were hired and trained for onboarding new students and for supporting lecturers with IT/digital education.

Expand extracurricular activities

Goal: More students invest more intentional and focused in personal development and career preparation.

Approach: Expand our menu of extracurricular activities.

Result: Increase activities of the Career Service Centre (1). Hire coach for students (2), implement Bildung programme in multiple study programmes (3), organise at least 2 extra-curriculair activities (4).

Realised results: Career Service Centre organises more activities online. Coach is hired and is coaching students online. The Bildung programme is organised for four study programmes. More than 10 new extracurriculair activities are available via the new virtual Student Training & Support centre.
